Hi Mike,

I am working on the 2nd quarter updates and we have funding scapped for WA359 for Quarter 2. There is a balance of \$124,147 to be obligated to bring the work assignment to full funding. CDM has spent approximately 28% of what we have funded so far and have used approximately 34% LOE. Do you want me to go ahead and process a PR for the balance using special account funding or move it to the next quarter?

Please let me know as soon as possible.
Thank you,
Danette
